PRODUCT OVERVIEW

The NETGEAR G54 Wireless Router is a simple and secure way to share your high-speed Internet connection for surfing the Internet, email, online chat and Facebook. Easy setup with the Smart Wizard® CD gets you up and running fast, while Wi-Fi Protected Setup® gives you a secured connection at the push of a button.

- **Surf, email, chat** — Wireless connection for basic Internet applications like surfing the Web, email and Facebook
- **Share Internet connection** — Allows Internet broadband sharing and the freedom of wireless Internet usage
- **Easy setup** — Smart Wizard® CD with graphical installation guide and multi-language support
- **Live Parental Controls** — Keeps your Internet experience safe
  - Blocks unsafe Internet content and applications and can be managed from anywhere
  - Protects connected devices through the router such as PCs, gaming consoles, and iPod touch®
  - To learn more visit www.netgear.com/lpc
- **Secured connection** — Push 'N' Connect offers a secured wireless Internet connection at the push of a button
- **Broadband usage meter** — Monitors Internet traffic and sends customized reports to help keep costs under control
- **NETGEAR Green features** — Power and Wi-Fi on/off buttons, Energy Star-compliant power adapter and 80% recycled packaging
